## REPORT ON OFFICER'S DUTIES IN REGARDS TO THE PRESIDENT'S MURDER J. R. LEAVELLE - #736

I reported for work at 7:00 as on Friday November 22, 1963. My partners I normally work with, Detectives S. R. Seck and O. R. Spyce, were both off duty. At 10:00 as C. W. Spyce reported in for duty. We got together to arrest a negro hijacker, Calvin Engens Walson. We located him at 12:15 pm, 2011 Ellis Street, and returned to our office and placed him in jail at 12:15 pm. I was told by It. Wells that the President had been shot and for us to report to Elm and Houston Streets.

On our arrival I went directly to the front of the Texas School Book Depository, hill Am Street. I set Empsotor Savyer who told se that the building was socure and that it was being searched. Imspector Savyer also told me all witnesses were being taken to the Sheriff's Office for interrogation.

The uniform officers came up with a white man massed William Sharp of 3639
Detonts, who the officers said had been up in the building across the street
from the book depository without a good excuse. I took charge of this man and
seconted him to the Shariff's Office, where I placed him with other witnesses.

Several highery and Theft Bursau detectives came in and volunteered their services for interrogation. I told then if they would work with the Sheriff's deputies, questioning the witnesses, I would return to the scene of the shooting to assist in the search.

Just as I reached hil Sim, the scene of the shooting of the Fresident, a call came out on the police radio of a shooting of a police officer in the MOS Sik, of East 10th Street in Oak Cliff. I returned to the Shariff's Office and called my office and talked with 't. Wells who said there was no one covering the officer shooting. I told him I would make it. I borrowed a car from the A. I. Edwards who was quasiforing a without in the sheriff's office and proceeded to Oak Cliff.
